KENOSHA, WISCONSIN

PRICES EFFECTIVE

APRIL 29, 1968

FORM NUMBER IPL-684

These Prices Supersede Those Shown In All Previous Price Lists

Pages 1 to 152 are included in General Catalog "A-2" and in Industrial Catalog "67-P". Pages 1P to 56P are in the Industrial Catalog "67-P".

Some stock numbers have been changed since the printing of catalogs. The new stock numbers appear in brackets [] directly after the tool description. Please use these new stock numbers when ordering. The prices may be found in their proper numerical and alphabetical sequence.

Prices are subject to change without notice . . . In the event of future price changes, orders will be billed at the prices in effect at the time of delivery.

Units which are temporarily unavailable are indicated in the price list by the symbol (†).

An asterisk (*) in the price column indicates that the tool is available on special order — price quoted upon request.

The weights shown in this price list are approximate and are figured to the nearest full ounce. Weights marked with the symbol † are only a fraction of an ounce.
